PRESIDENT'S MESSAGE

Hello Fellow Breeders

Well most purebred breeders are calving right now! Minus 35 this morning here! It's not the greatest weather but at least with the re-bounce in prices generating optimism in the cattle industry, it will be all worth it! Prices are great all across the board; no matter what class of cattle you're selling.

It's a good time to get out and promote your herd if you're in the bull selling business. Reports coming in state that good quality bulls are selling great! It also is a good time to look abroad and bring in new genetics to improve your own program with cull bulls and cows. When prices are up it's a good time to roll out the old and bring in some new! In our business, we find that cooperation with fellow breeders will help out your program immensely. Sometimes another breeder won't have what a customer needs or wants, so you might be able to help him out by sending him in the right direction to find the genetics or phenotype they are looking for. Hopefully the breeder you help does the same in return! By working together we can increase the Maine genetics available and into the producers hands!

In closing, I wish everyone the best in calving season and hope the best to all in their bull sales! Hopefully with the better prices and renewed optimism, better times are ahead of us. It's been a long tough road for cattle breeders, and it's been real tough for an Association. Cattle are what keep you rolling and also keep us rolling here at the office! Remember to get those bulls registered and transferred soon in order to avoid those late fees!

Stu Byman

*The 2011 Canadian Maine-Anjou
Annual Meeting is being hosted by the
Saskatchewan Maine Association
on August 20, 2011 in Regina, SK
watch for details!*

OFFICE MANAGER'S REPORT

Hello Everyone!

This magazine will probably find many of you at many stages of calving season. As I am writing this today, we are having a chinook in Calgary, so weather is great but you never know with the weather here as it could change in the next 5 minutes.

We are trying to move forward to create a Canadian Junior Association so we will have to add an amendment to the Canadian Bylaw this summer at the AGM. Watch the website and mail-outs for more information about the upcoming meeting Aug. 20 in Regina, SK.

I attended Farmfair in Edmonton last fall and the Maines had a very good turn out. Congratulations to all whom attended and won. I was also at Agribition in Regina, which also had many Maine breeders there and congratulations to all the winners there. I also had the opportunity to meet some breeders that I had not met before. The only problem at Regina was it was so cold that I think I just got thawed out, very cold there indeed.

Memberships are due and the Membership Package was a little late going out due to a program error that we had to have rectified. Had one problem fixed and then another showed up. Sometimes this happens with computer programs but all is well now.

The Board of Directors is looking into an online program at the moment so we will see what happens with that and if it will be feasible for us to get into place.

Also, to all new members of the Association, welcome and if you have any questions please feel free to call me at the Canadian Maine-Anjou Association office.

Well I hope to see all of you at the Annual General Meeting this summer and keep your paper work coming!

Douglas Bull Test Station Report

The Manitoba Bull Test Station started the 2010 – 2011 year with 144 bulls from ten breeds. Seven of the bulls are Maine-Anjou, coming from Cee Farms Maine-Anjou (Barry Walker), and Falloon's Maine-Anjou (Carman & Laura Falloon).

On the 84 day weight on February 1, the station average daily gain was 3.85 pounds per day and the weight per day of age was 3.33 pounds. The Maines were 4.16 pounds per day for average daily gain and 3.52 pounds per day for weight per day of age.

Sale bulls will be evaluated for fertility and will have ultrasound for rib eye, back fat, lean meat yield, and intramuscular fat. All the bulls were tested for BVD on arrival. Consignors have the option to have their bulls Igenuity tested.

The bull test station is open to the public seven days a week. Open House will be held on March 12 with free beef on a bun at noon. Hopefully, preliminary sale catalogues with pictures and pedigrees will be available for Open House.

The sale will be on April 2, 2011 at 1:00 P.M. at the test station. The bull test station is located 17 miles east of Brandon on Highway #1 and ½ mile south on Highway #351.

The office phone number is 204-763-4696 or Ivan's cell is 204-724-6271. The e-mail address is bulltest@mts.net and the website is www.manitobabulltest.com.

Bulls For Sale By Private Treaty

GENETICS WITH A DIFFERENCE!

THE CATTLE HERD:

OUR HERD CONSISTS OF 300 MOSTLY BLACK COWS. WE RUN 125 PUREBRED MAINE ANJOU, 30 PUREBRED BLACK ANGUS, 20 PUREBRED LIMOUSIN AND THE REST ARE COMMERCIAL BLACK COWS. THE COWS ARE ALL RAISED IN RANCH CONDITIONS. WE GRAZE THE COWS OUT ON SWATH GRAZING AND CORN UNTIL FEB.1 WHEN WE START CALVING. THE COWS AND CALVES ARE ALL ON THE COMPLETE PFIZER GOLD PROGRAM.

OUR SHOW RECORD:

WE HAVE SHOWN AT LLOYDMINSTER STOCKADE, FARMFAIR AND AGRIBITION FOR NUMEROUS YEARS. OUR RESULTS HAVE BEEN CONSISTANT WITH MANY CHAMPIONS, PREMIER BREEDER & EXHIBITOR AWARDS. OUR PICTURE BOOK SHOWS THE MANY ANIMALS THAT HAVE BEEN AWARDED BANNERS

OUR FAMILY:

WE ARE A FAMILY RUN CATTLE OPERATION. WE MARKET 30—40 BULLS A YEAR THROUGH PRIVATE TREATY. OUR SONS - TYSON, RILEY AND TAYLOR ARE OUR FUTURE IN THE CATTLE BUSINESS. THE WORK WE ARE DOING TODAY IS THEIR FOUNDATION FOR TOMMORROW. OUR SONS ARE ACTIVE IN THE 4-H PROGRAM AND THE EVERYDAY OPERATIONS.

PLEASE CONTACT US - WE WOULD BE HAPPY TO TALK TO YOU ABOUT YOUR FUTURE BULL NEEDS!!

WE ARE CONFIDENT IN THE FUTURE OF THE CATTLE BUSINESS. ALL OF OUR CALVES ARE IN THE VBP (VERIFIED BEEF PROGRAM) AND AGE VERIFIED.

Your Easter Egg Hunt Ends Here!

Heifer Embryos by Eagle Eye (BC Lookout) Embryos by Dream Catcher (Dream On) Your Best Chance for a Baldy Mainetainer

GVC PASSIONETTE (Donor)
2010 Ohio State Fair Res. High Percentage Female
2010 Grand Champion Female Toronto Royal
SIRE: Special Delivery
DAM: GVC Jazzmyn 001L – 2002 Denver Champion

Passionette was the feature lot in the Green Valley Big Picture Female Sale 2009 (Excerpt from sale catalogue) From the embryo program and the same foundation Green Valley donor as our syndicated sires of success, GVC Statesman and GVC Law Man, this heifer is a maternal sister to the dam of the \$21,000 GVC Fortune & Glory and the female that produced Lot 2 (GVC Starlight 058W). She is bred up from our best family of Maine-Anjou cattle and she'll make a wonderful addition to any program. This pedigree just works - every time - and we were more than pleased with this flush to our Special Delivery herd sire that also produced two very impressive bulls that are headed for our 2010 National Western pen and will then be features of our 2010 sire sale. Their dam was a National Western Champion and she has been everything we had ever hoped for in production. Several of the best cattle in this sale and in our program are related to this heifer and she is exceptional from every angle. Own this one on her way up!

Manitoba held our annual meeting Feb 11, 2011. A good turnout was on hand to hear and share ideas.

Manitoba's new board consists of:

President - Sid Wilkinson

Vice President - Myron Lees

Treasurer - Sandy Underhill

Secretary - Connie Johnson

Douglas Bull Test Station rep - Carmen Falloon

Directors - Ross McBride, Patrick Johnson, Barry Walker, and new member Sean Egge.

Douglas Test Station has seven maine bulls entered this year and are gaining very well sale date is April 2.

Manitoba is considering having an annual sale if there is enough interest. 4-H members in Manitoba showing Maine-anjou sired calves will be receiving a token from the Assoc. Janelle Johnson will serve as our junior ambassador again this year.

On behalf of the Manitoba board I would like to wish everyone a successfull calving season and good bull sales.

Patrick Johnson

Tayvin Jax Werezak was born January 5, 2011, 7 lbs 4 oz. Parents Chyanne & Jack. He was named after his Great Great Grandmother who's name was Octavia. Brother to sister Darbi and grandson to John & Deloris Hawkins, Lazy H Farm.

Grandparents Don & Lorna Spratt, Donaro Farms are happy to welcome **Jaycee Lynn Spratt** to parents Larry & Coralee. Jaycee has 2 older sisters, Aaliyah and Robyn and an older brother Riley to teach her everything! Jaycee was born Nov. 9, 2010 and weighed 6 lbs. 6.5 oz.

Tyson and Chantal Rasmuson, along with big brother Brylan, are excited to announce the arrival of **Everleigh Morgan Rasmuson** on Oct. 17, 2010. She weighed 7 lbs 3 oz.

Tanner James McCormack was born Sept. 23, 2010 to Scott & Carolyn McCormack, Lightning Strike Cattle Co. A happy "little" brother for big sisters Bailey & Sydney and big brother Darby. He pushed the scales down at 10lbs. 4oz. and 21" long.

Reserve Champion Pen of Three Mainetainer Females
 By: Survivor, BFW Lutten 708 & BFW Chinook 505

Reserve Champion Pen of Three Maine-Anjou Sale Bulls
 By: Mitten Man (2) and Survivor

On paper, we expect our first calves to have arrived Feb. 2 here in Nebraska. This will prove to be a year of genetic diversity as we bred to a cross-section of popular bulls from outside of our program. It will be interesting to assess these genetics on our Mother cows as we follow their development throughout the year. We'll still have the traditional bloodlines you are acquainted with, plus, progeny from our newest bulls, **EYE OPENER, BACKLASH and LINE OF DEFENSE** (Maine-Anjou and Simmental bulls).

We welcome you to follow along too by plugging into Willers Mitten Brand on Facebook.
 Bulls, females and show steers. Fall and Spring calving cowherds.
